

COLOP e-mark® und COLOP e-mark® create – Product data sheet and description

Short description

The e-mark/e-mark create is a compact and mobile (battery-powered) printer. Using an app, almost unlimited designs can be created or existing templates can be used to print on any object with a simple sideways movement. The e-mark/e-mark create is based on inkjet technology, the 3-colour ink cartridge enables multi-colour imprints and prints on almost all absorbent materials.

Usage

The e-mark app can be used to create your own imprints or to use existing templates from the app or website and send them directly to the e-mark or e-mark create via Wi-Fi or USB (desktop version only). Now you can print on a wide variety of absorbent materials, such as paper, cardboard, wood or textiles. The e-mark/e-mark create is moved sideways over the surface, allowing the optical sensor to detect the movement. For uneven surfaces or small objects, the use of the COLOP e-mark ruler is recommended for achieving good print quality.

The e-mark and e-mark create are charged with their own power adapter, which is included in the packaging. The ink cartridge can be changed by hand in just a few simple steps.

Any handling other than that described in this document does not comply with the purpose of this product.

The product is not a children's toy.

Product features

- Multicolour imprints (add logos and images to imprints)
 - Battery-powered for highest mobility and flexibility
 - Storing up to 4 imprints permanently on the e-mark/e-mark create
 - Sophisticated app for unlimited imprint designs
 - Automatic date, time and numbering function
 - QR-code and barcode generator
 - Extensive range of ready-to-use imprints
 - Create own and personalised imprints
 - Modern and ergonomic design
 - Extensive range of accessories
- 

Product information

Device colour:	Black or white
Dimensions of the device (L x W x H):	112 x 76 x 74 mm / 4.41" x 2.99" x 2.91"
Weight of the device (with / without packaging):	638 / 251 g
Dimensions of single box:	173 x 170 x 84 mm / 6.81" x 6.69" x 3.31"
Dimensions of master case incl. 6 pieces (L x W x H):	530 x 190 x 180 mm / 20.87" x 7.48" x 7.09"
Weight of master case (6 pieces):	5.13 kg
Material:	ABS, PC (92 %) and steel (8 %)
Wi-Fi interface:	WIFI IEEE 802.11bgn
Print technology:	Inkjet
Ink cartridge:	Tri-colour (Cyan, Magenta, Yellow) C2 32.5 g (without packaging) ~ 1,500 imprints (reference imprint: 14 x 100 mm, approx. 15 % ink coverage)
Max. size of imprint (L x W):	14.5 x 150 mm / 0.57" x 5.91"
Print quality:	600 dpi
Battery:	11.1 V Li-Ion with min. 600 mAh (3 cells, each 3.7 V, 45 g)
Country of origin:	Malaysia
Customs tariff number:	84433210
